PLEASE READ: Important Information

- The score information displayed in this report is provisional and does not constitute an official score report
- Juniper Networks performs industry standard statistical analyses on all exams to ensure compliance with the Juniper Networks Candidate Agreement and the JNCP exam security policies
- If Juniper Networks is unable to certify that exam results demonstrate a valid measure of your ability, as sampled by the exam, they are marked as indeterminate and you are notified via email of exam retake options
- Valid exam results are available in CertManager (www.juniper.net/certmanager) within three (3) business days
- Login to CertManager (www.juniper.net/certmanager) to ensure your contact information is current
- Candidates must wait 18 months before retaking a passed exam, which is generally for recertification purposes
